The strikes and lock-outs in San Francisco have had a bad effect all along the peninsula. Business is not near so good as it was a few months ago. Real estate transactions are not so numerous as they were. Building material and labor are so high that very little building is being done in the county. These conditions will prevail until the difficulties in the metropolis adjust themselves.

It is understood the Staffler company has purchased the Leslie Salt Works in San Mateo and has given Redwood City the go-by. The company certainly received little or no encouragement here, and it is little wonder that they went to a place where it would be appreciated. The loss of this company has been a severe blow to Redwood City.

PROGRESS OF OCEAN SHORE
The work of the Ocean Shore Railroad has so far advanced that it is expected to have the rails laid from the corner of Twelfth and Mission streets, San Francisco, to Mission Rock in this county by the end of this week. All the difficulties encountered in San Francisco have been overcome, and it will be only a short time before cars will be running to the beach. On Tuesday the directors of the road visited Halfmoon Bay and inspected the progress of the work at that place. As such as rails and ties can be brought in a single track will be laid to the old Maggie wharf, to carry material to all points of the line.

Melinda Had to Go.

One of the old governors of the Carolinas was a man who had lived a farmer's life most of the time until he was elected, and his wife, having never seen a steamboat or a railroad and having no wish to test either one, refused to accompany her husband to the capital. When the governor reached his destination he found that almost all the other officials were accompanied by their wives and he sent in an imperative message to his brother-in-law, Melinda, to go. The brother telegraphed, "She's afraid even to look at the engine." The governor read the message and pondered over it for a few moments. At the end of that time he sent off the following command: "Bill, you blindfold Melinda and back her on to the train."

An Imaginary Trip.

Whereas, said California Suburban Home Company and said Bank of Halfmoon Bay and said Mary Knights, as the only persons in interest and as the only persons whose consent is necessary to give a clear title to said premises, have endorsed on said map their consent in writing to the mapping and platting of said land and premises, and have also endorsed thereon in writing their dedication of all streets, highways, courts, and boulevards on said map delineated to public use; and

Whereas, said California Suburban Home Company and said Bank of Halfmoon Bay and said Mary Knights have duly and properly acknowledged said map and the making and platting thereof, and their consent thereto and their dedication of the streets, highways, courts and boulevards delineated thereon to public use, and said acknowledgments having been duly and properly certified thereto and thereon by the officers before whom said acknowledgments were made; and

Whereas, said map or plat is of the dimensions and upon the paper as required by law, and is now presented to this Board of Supervisors for acceptance; now, therefore, be it

Resolved, That the following public highways, streets, parks, courts and boulevards designated thereon, to-wit: East avenue, Parollone avenue, Pacific avenue, Kanoff avenue, Main street, First street, Second street, Third street, Fourth street, Fifth street, Sixth street, Seventh street, Eighth street, Ninth street, Tenth street, Eleventh street, Twelfth street, as delineated and designated on said map, and the same are, hereby accepted on behalf of the public by the Board of Supervisors of the County of San Mateo as dedicated to public use, and that the following streets, avenues, highways, lanes and ways, to-wit: Pacific extension, Main extension, Ocean Shore avenue and Marine walk be, and the same are, hereby rejected by said Board of Supervisors in accordance with an act of the Legislature of this State entitled "An act requiring the recording of maps or subdivisions of land into lots for the purpose of sale, and prescribing the conditions on which said maps must be recorded and prohibiting the sale or offering for sale of land by reference to said maps unless the same are recorded," approved March 15th, 1907, Statutes of 1907. And the clerk of this board is directed to endorse its acceptance on said map as follows:

"East avenue, Parollone avenue, Pacific avenue, Kanoff avenue, Main street, First street, Second street, Third street, Fourth street, Fifth street, Sixth street, Seventh street, Eighth street, Ninth street, Tenth street, Eleventh street and Twelfth street, as delineated and designated on said map, are hereby accepted by the Board of Supervisors of the County of San Mateo on behalf of the public as dedicated to public use; and Pacific extension, Main extension, Ocean Shore avenue and Marine walk are rejected by said Board of Supervisors in accordance with and subject to the terms of a resolution of said board adopted this 20th day of May, 1907."

Be it further Resolved, That this resolution be adopted and said map accepted upon and subject to the express condition that the county of San Mateo does not hereby become responsible or liable for any cost, expense or charge as to said East avenue, Parollone avenue, Pacific avenue, Kanoff avenue, Main street, First street, Second street, Third street, Fourth street, Fifth street, Sixth street, Seventh street, Eighth street, Ninth street, Tenth street, Eleventh street and Twelfth street, either for grading, macadamizing, or for any other road purpose. This condition as to the incurring of expense or charges being left to the discretion of future Boards of Supervisors, no one of said Boards of Supervisors, nor any member thereof, nor the County of San Mateo, shall ever be liable to damages in any sum or amount arising by or through any defect of any kind in said streets, highways, avenues, boulevards and lanes.

Roll call on said resolution was as follows, yes—J. E. Debenett, J. Debenett, D. E. Blackburn and John MacBain.

Said resolution was thereupon declared passed and adopted.

The affidavit of J. V. Swift, printer and publisher of the Redwood City Democrat, printed and published weekly by him in the county of San Mateo, State of California, was presented and read showing and publication in said newspaper in two consecutive issues, to-wit, on the 9th and 16th days of May 1907 of Notice to Publishers Inviting

delinquent Tax List for the year 1906, and it appearing therefrom that said notice has been published as required by law, it was ordered that said notice be published for the period and in the manner prescribed by law.

Pursuant to said published notice, sealed bids as follows for printing the Delinquent Tax List for the year 1906, were presented and read: Times-Gazette: First insertion per

square 75 cents; each subsequent insertion 45 cents.

Burlington Advance: First insertion per square 40 cents; each subsequent insertion 20 cents.

San Mateo Times: First insertion per square 75 cents; each subsequent insertion 40 cents.

It appearing to the board that the bid of the Burlington Advance is the lowest and best submitted by that said newspaper cannot provide a legal publication of said Delinquent Tax List owing to the fact that said newspaper has not been in existence for the period of one year, it was moved by Blackburn and seconded by MacBain that the bid of the Burlington Advance be rejected, and that the bid of the San Mateo Times being the next lowest submitted, be accepted and the contract for printing the Delinquent Tax List for the year 1906 be awarded to said paper at the rate of 75 cents per square for the first insertion and 40 cents per square for each subsequent insertion.

The motion was duly put, carried and so ordered.

Dist. At. Bullock asked the board that an action was pending in the Superior Court in this county entitled Frank S. Knowles vs Crocker Estate Company, a corporation, which is an action to recover certain lands and to quiet title thereto, and that the lands in controversy be declared a public road which had been previously dedicated to the county, and that he desire to protect the interests of the county in the matter and requested the board to authorize and empower him to subpoena in said action on behalf of the county.

Whereupon on motion of Debenett seconded by Blackburn the clerk of the County Advocate for the publication of the "Notice of Intention to Sell" was rejected and the Clerk directed to return said claim to said paper with instructions that it apply for payment to W. R. Barley, the successful bidder for said franchise.

It was ordered that the claim of J. Q. McCarthy for the burial of three unknown dead be rejected and said claim referred to claimant with instructions to file new claim in an amount not in excess of that allowed by the board for the burial of unknown dead.

W. W. Bosson, one of the pioneer blacksmiths of this city, has retired, having disposed of his lucrative business to Vic Mitchell of Menlo Park. Mr. Bosson well deserves a vacation, having given his affairs close application for many years. He enjoys the respect of his business associates and has been known for his honorable dealings with his numerous patrons. In his retirement he carries the best wishes of all. His successor is a young man of integrity, a good mechanic, with a wide experience. His friends predict for him the same success that Mr. Bosson met with.
